

PARKHURST EXCHANGE

Solutions for the patients you see every day

Donations

Parkhurst Exchange journal welcomes donations from the medical community. The mission of *Parkhurst Exchange* is to offer a forum for expert exchange of current and emerging trends in diagnosis and treatment of the huge range of conditions that FM/GPs address every day. Our objective is to spread clinical knowledge, helping specialists to share developments in their fields, and helping primary care physicians discuss the clinical issues they face on the front lines of healthcare in Canada. All donors will be acknowledged in an appropriate statement of support in *Parkhurst Exchange*. Corporate logos and names of donating organizations will be included.

Special recognition of annual donations at following levels:

Silver	\$5,000
Gold	\$10,000
Platinum	\$20,000

We value your educational support.
